

Dear Parent/Guardian,

Sodexo is proud to be your foodservice provider and is pleased to announce the continued availability of the Eagle Cash (Cashless Dining Service Program) at Santa Margarita Catholic High School. Keeping our school foodservice program in tune with the emergent needs of students and families, we are eager to offer you the convenience of a declining balance card system.

With the cashless system, students are able to purchase food and beverage without having to use cash. The system works like EZ Pass. It is a declining balance system that offers today's students and families both ease of use and ease of mind. With the cashless system, students can make café purchases in a fraction of the time it takes to pay with cash, and parents know when and how their money is being spent. This family-friendly system will continue to be in place for the start of the school year. A limited number of cash lunch windows will still be available to students, but we encourage you to register for the new cashless system and cut your students wait time in half!

Below are detailed instructions on how to register your child for the Eagle Cash System. We are very much looking forward to a healthy and exciting school year!

Sincerely,

*Vice President, Finance
Santa Margarita Catholic High School*

*Mr. Craig Irby
