Team you will be trying out for (please circle one)

Varsity

JV Blue

JV Gold

Varsity

- This team consists of players with the highest golf skill level:
Varsity Players average scores of 35-40 for nine holes.
Varsity players are in good physical shape and able to walk 18 holes.
Varsity players play in 18-hole tournaments throughout the year.
Varsity players have an established WSCGA Handicap.
Varsity players have swing Coaches.
Varsity players want to excel at the Individual and Team level.
- Tryout scores and practice round scores will determine the initial rankings. Once we begin competition the rankings will reset.
- Rankings will determine the line ups and will be updated after each match.
- As the season progresses, selection of the line ups will be based on rankings, previous playing time and the opponent.
- Preference is always given to the top scoring players of the team.
- It is possible for a lower ranked Varsity player to be asked to play in a JV match, to get some playing time. This is Not a demotion.

Junior Varsity - Blue

- This team consists of players whose skills are at an intermediate level.
- This team competes with other schools.
- As the season progresses, selection of the line ups will be based on rankings, previous playing time and the opponent.
- If a player's game has improved greatly, it is possible for promotion to Varsity.

Junior Varsity - Gold

- This team consists of players who are beginners & intermediate level and learning the fundamentals, etiquette, and rules of golf.
- This team does not compete with other schools. Once they are ready, they will be taken on the course and play in a scramble format.
- If a player's game has improved greatly, they may be promoted to the JV Blue Team.
