SANTA MARGARITA CATHOLIC HIGH SCHOOL GRANDPARENTS' CLUB

WELCOME

The members of the Board of the Grandparents Club welcome you to the 2020-2021 school year. As all of you know, it's a different educational environment for our grandchildren right now so we continue to adjust our calendars and plans for supporting the school. We hope you'll join us as we work together to love and encourage our SMCHS students. And our hope is that we can plan some safe, rewarding and fun events in the near future. *If you would like to join please email Maureen Redd at mojoredd@aol.com or call 949-689-5120.*

GOLF TOURNAMENT

By now most of you have heard that we met our goal and filled our Winners Board at this year's Golf Classic, raising \$10,000 for the club's Scholarship Fund. After much discussion about whether the tournament could be held, the annual Eagles Golf Classic took place on July 13 at the Coto Golf and Racquet Club.

It was, as always, a well-attended event and a good time was had by all participants. The Grandparents Club was there to lend support and to raise money for our scholarships. We again had some great prizes, generously donated and actively supported by our golfers. Our thanks to all our volunteers who helped make it such a success.

SCHOLARSHIP FUND

2020 will not soon be forgotten but the Grandparents Club, now in its fourth year, is continuing its work to support and promote SMCHS. This year, we

were once again able to make a substantial contribution from our scholarship fund, awarding three deserving students with significant financial assistance.

MEMBERSHIP

Membership, while a great deal of fun, is also the lifeblood of any organization and we are always striving to recruit new grandparents. We encourage you to

become a member – we know you'll find it a fun and rewarding experience. Your talents, enthusiasm and fresh ideas will be invaluable to us.

UPCOMING EVENTS

The annual Blue and Gold, the school's largest fundraising event of the year, will be held virtually this year. Visit the website to learn more.
