

Santa Margarita Track & Field Hall of Fame Requirements

In order for an athlete to gain entry into the Santa Margarita Track & Field Hall of Fame they must have maintained a positive academic & disciplinary record during their tenure at Santa Margarita (no periods of academic ineligibility or disciplinary probation). Additionally, once an athlete began their track & field, they must have completed their track participation with no interruptions (i.e. quitting, taking a year off, not competing in a post season meet for which he/she qualified, etc.). Admission to the Hall of Fame will only take place after the completion of the athletes' senior year of competition & graduation.

In addition to the above-mentioned criteria, the athlete must acquire 17 points in order to be considered for entrance to the Hall of Fame. Of those 17 points, at least 8 points must be earned through individual accomplishments. The athlete must also have earned a minimum of 10 CIF points. Points towards Hall of Fame induction can be earned in the following ways:

- **California State Meet Champion in an individual event: 10 points**
- **California State Meet champion on a relay team: 4 points**
- **California State Meet finalist in an individual event: 7 points**
- **California State Meet finalist on a relay team: 3 points**
- **Ranking in Top 100 nationally in an individual event: 5 points**
- **Ranking in Top 100 nationally on a relay team: 2 points**
- **Masters Meet qualifier in an individual event: 4 points**
- **Masters Meet qualifier on a relay team: 1 point**
- **CIF Champion in an individual event: 6 points**
- **CIF Champion on a relay team: 3 points**
- **Orange County Champion in an individual event: 3 points**
- **Orange County Champion on a relay team: 1 point**
- **Compiling 15 career CIF Finals points (individual & relay): 3 points**
- **Compiling 20 career CIF Finals points (individual & relay): 4 points**
- **School Record holder in an individual event: 1 point**
- **Santa Margarita Team Captain: .5 point**

Please note: Each point total is based upon one accomplishment. For instance: winning 2 separate CIF individual Championships would accrue 12 points (6 points x 2 titles = 12 points).

Also, when calculating career CIF Finals points, relay points awarded to the team are divided by 4 in order to tally the individual's point total. For example, if a relay team places 2nd at CIF Finals, the team earns 8 points and each member earns 2 towards their career total points (8 points divided 4 team members = 2 points)
