

August 2018

Dear Parents:

With the new school year underway, I would like to take this opportunity to invite you to our annual **Back-to-School Night** which will be held on **Wednesday, August 29**. Refreshments will be served in the Von der Ahe Pavilion at 6:30 p.m. with the visitation to classes beginning at 7 p.m. Just in case your son or daughter doesn't give you a copy of their schedule prior to your arriving on campus, we will have copies of your son/daughter's class schedule as well as campus maps available at the tables inside the main campus gate. Parking will be available in all school lots as well as streets including Antonio Parkway.

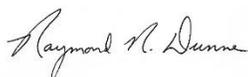

The program for the evening allows 10 minutes per class, commencing at 7:00 p.m. with first period. After a five minute passing period, second period begins at 7:15 p.m., and the same pattern continues for the rest of the evening. During the third period there will be a few welcoming messages over Eagle T.V., which will add a few minutes to that class; then you will continue to visit the remaining classes

On the Back-to-School evening, as you move about campus, navigating the halls is a challenge, especially the 3rd floor of the "G" Building. Please use the outside stairways, on both sides of the "G" building to reach both the 2nd and 3rd floors. There is also an internal stairway to reach the 2nd floor. For those with special needs, elevator service is available in the "B", "G", "R", and "S" buildings. If you are in need of an elevator, each multi-story building has one and there will be student attendants available to assist you; in addition students will be available throughout campus to help provide you with directions to rooms.

The purpose of this evening is to allow you to hear from each teacher about their course syllabus, requirements, and expectations. Please be respectful of the limited time each teacher has by not asking questions about individual students. I would ask that you email the teacher or call the school at a later time to request an appointment.

The entire SMCHS community looks forward to seeing you on Wednesday evening, August 29.

Caritas Christi,

Raymond R. Dunne
Principal
