TROUPE

THESPIAN TROUPE

A Thespian Troupe is a part of the International Thespian Society and is the only theatre honor society for middle and high school students in the United States. Affiliation brings credibility and distinction to students, theatre programs, and schools. It is a visible, positive symbol of the quality of your theatre program.

POINTS

Points are a way to numerically calculate a student's involvement and dedication to the theatre. As points increase, new levels of recognition can be obtained. For example, an Honor Thespian has (60 points), a National Honor Thespian has (120 points), and an International Honor Thespian has (180+ points).
